Lincoln's Leap of Love

Millbrook Staff Salute the Battle with Cancer

The staff at Millbrook Primary School would like to thank the whole communities of Appley Bridge and Shevington for the support with the sky dive that eventually took place on Wednesday, 24 June in Cockeram in Lancaster with The Black Knights'.

A big, big shout out to Chris and Michael at Costain who sponsored the jump and have been with us all along the way. The dive had been postponed twice due to a faulty plane, so nerves were tingling when at last we got the go ahead. The day was perfect. The weather did not let us down and to free fall from 15,000 feet was the most amazing thing that all three of us had ever achieved.

We saw the curvature of the Earth with the most purest of blue sky. It was over all too soon and we all came down to Earth with a bump. Mrs Sadler, Mrs. Holborn and I were handed flowers by Lincoln and his sister, Amber, and a whisper of thank you. That is all it takes to put life into perspective. We raised around £7,500 for which we are so grateful and proud. We have had amazing feedback from the community along with kind donations of money. When you do not know people personally it makes it even more worthwhile.

We loved every minute. This is our huge thank you to you all.
Mrs Karen Tomlinson (*Executive Headteacher*)

Parking Tickets Outside Shevington High School

Did You Get One?

The congestion caused by parents parking outside Shevington High School at drop off and pick up times has been giving concern for a number of years. The school has tried various strategies to address the issues. On a day in June the YTA were out on the gate giving out parking tickets to parents who park outside the gate. Thanks to everyone who took the time to speak to the YTA and give their thoughts about the parking situation outside school. The YTA came away with lots of ideas! The purpose of the parking ticket is to raise awareness of the issue of congestion, student safety and air quality. We also reminded drivers about the Park and Stride location at the Charnley Arms.
