Shevington Parish Plan Review

In 2006 Shevington Parish Council carried out a parish-wide consultation to find out what residents wanted to see happening in the Parish. Based on the answers you gave a Parish Plan was prepared and published. The Council received a grant to fund this exercise and each household received a copy of the Plan.

Since then we have used the Plan to inform our policies and now, ten years later, we have been reviewing progress. Now we would like to invite you to comment on the review in order to inform our next steps.

The report on the review and the 2006 Plan can be found on our website: www.shevingtonpc.gov.uk and in Shevington Library. Instructions on how to reply to the consultation can be found on the back page.
